IN A FLAP

I just wanted to say a huge thanks to the staff and women of *Club*. I pick up an occasional copy here in NZ and think your mag provides the best women with the fleshiest pussy lips of any. I recently purchased Vol. 38/8 and found that each photo shoot seemed to display the most gorgeous pussies I have had the opportunity to lay my eyes on. When I saw the spread of Natasha and Andie I was compelled to deal with my already swollen cock. I was unsure of who was who, but my mouth watered at the fleshiness of the woman in the red G-string. I de-stapled the magazine to enjoy as many pics as I could and had them spread over my bed to jerk off to. Unfortunately, my wife caught me and was very upset at my actions.

My wife, Debbie, has very, very fleshy pussy

"I put a hand on her cunt and started making wide circles on her clit"

lips and I adore them. Instead of a camel toe she looks as if she is packing something larger in her knickers. She was teased about it since she was a teenager and was called 'the fanny freak'. Some early boyfriends were put off by what they saw. As a result she has always been very embarrassed by her fleshiness and has always kept them hidden as much as they can be by full pubic hair covering.

Similarly, she has been very coy about wearing a bikini to the beach, or Lycra shorts, as they emphasise what is already blatantly obvious. While she enjoys my attention to them, she has considered getting a reduction but the embarrassment of having people looking at her

has so far outweighed her wish to feel more confident about herself.

However, after being caught, I tried to explain to Debbie my need for more release and excitement by the beautiful bodies, but that I found her's the most exciting of all. She maintained her cold shoulder and I thought I would be in for a week of it. The next morning, being in the shit already, I thought I would have another look at your magazine before work. It was not where I had put it and thought Debbie must have found it and

trashed it. More disheartened, I went off to work.

On my return home, Debbie was cheerful and welcoming. She looked great in a short skirt and a top I love because of how it hugs her breasts. I was aware that her nipples were hard. She told me to follow her to the bedroom as she had something to show me. My cock sprang to attention, but was a little confused as to what was going on. There on the bed were the pics all spread out again and she asked me to tell her which ones I liked best and why. I was a bit reserved to start with, but she

SIX OF THE BEST!

You were dead right when you assured Reader's Girlfriend Barbara that plenty of men would be spunking over her pictures. I've done so six times. Not bad, as I only bought the mag a week ago and have also been 'enjoying' some of the other girls like Cassie and Saffron. But Barbara's the one who's had me stiffest as she's got such a perfect body and lovely smile that just seems to be saying, 'wank over me', so it seems rude not to! She says she loves to be the reason for a hard-on, so make her happy and your readers too by featuring her face, tits and arse again.

CELEBRI-TITTIES!

We'd rather have a night in watching vids with Jacqui Smith's fella.

Yes! We asked you for your list of celebrities you wanted to see a) naked and b) even more naked. That's a word. Yes it is. Well, we got one almost straight away, even if it's one we're not sure about. Roy from Leeds, we thank you, although we're not sure many of these will be doing pink shots in the near future:

unzipped me and began stroking my cock as I started describing the different model's pussies.

When I got to the Natasha and Andie spread, I mentioned how much it made me think of her fleshy pussy, to which she boldly stated, "Mine are much more fleshy than hers." With that, she crawled up onto the bed and, adopting the final pose in the spread, lifted her knee further up to make her skirt rise up over her hip and expose her wet and swollen lips. She was absolutely bald, except for a thin strip above her pussy, just like the models. "Which

LUCILLE'S BALLS

Well, she hasn't got any, but she likes them...

You picked a fine time to leave us, Lucille.

"What do you mean? I haven't gone anywhere."

Not yet, maybe, but you all leave us in the end. You leave us bitter, alone and drinking red wine at 4AM while we play *Football Manager*.

"I love *Football Manager*."

Really?

"No, idiot. I love men who come to bed and fuck me instead. Why would you want to play games on your own when you've got me waiting naked in bed for you, all wet, willing and horny?"

Well, we're just trying to get Preston promoted, then we'll save the game, honest.

"And you wonder why they leave you? I'd be off in a flash to where the real dick is. *Football Manager* indeed..." ♣

DOWN THE WIRE

What's been keeping *Club's* network of global correspondents busy this month?

BEREAVED MUM KITS OUT TODDLERS' DEATH-HOUSE FOR HALLOWEEN JAPES

Following the horrific deaths of her two little children, aged only three and five, in a house fire in

Rialto, California, look-on-the-bright-side mum Viviana Delgado (27) spent the next six months transforming the vacant, charred dwelling into a showcase haunted house for Halloween – arguably America's biggest holiday nowadays.

The death house, which is decorated inside and out with the usual eerie Halloween paraphernalia, attracted little interest from people who didn't know the story, but local parents' minds boggled in horror last October 31st when the abomination was unveiled and their kids ran past screaming... comprehending immediately what the two gravestones in Mrs Delgado's front lawn represented.

KICKING THE BUCKET

Poland's Polskieradio recently reported that a settlement had been reached in the 18-month legal wrangle between two neighbours in Mikowice. The focus of the battle was a plastic bucket worth about £2.

One neighbour had sued, alleging that the other had ruined the bucket by kicking it, and the accused had endeavoured to prove their innocence by submitting video of the aggrieved bucket-owner continuing to use the bucket as before in the wake of the kicking.

Then, in a sensational development which shocked the Polish nation, who had been following the case for almost a year and a half, the bucket-owner's lawyer countered the video evidence by calling an 'expert' witness. This expert examined the bucket in front of a packed and hushed courtroom before finally concluding that it was 'probably damaged'.

THE STENCH OF EXCITEMENT

Thorpe Park amusement facility in Chertsey, England, recently posted signs on its roller coaster, instructing punters not to wave their arms over their heads during the ride. According to the park director: "We've found that when the temperature tops 77 degrees [Fahrenheit], in the summer, the level of unpleasant underarm smells can become unacceptable."

He explained that they had been obliged to erect the signs because Thorpe Park had been in receipt of a considerable number of stinky armpit complaints from roller coaster riders last year.

TOTALLY TITS

When 30-year-old Adam Manning of Ogden, Utah, rushed his pregnant girlfriend to the McKay-Dee Hospital emergency room shouting that she was going into labour, everyone dropped what they were doing and helped the poor woman with the birth.

Everyone but Manning, who, neglecting the woman he'd knocked up, began flirting with one of the nurses, complimenting her looks as she attended to his screaming girlfriend and giving her soothing neck massages.

When Manning then allegedly groped the nurse's tits, however, she called security, Manning was eventually arrested and carted off to jail, thus missing the birth of his child.

CUPID STUNT

World famous Scottish stunt bicyclist Danny MacAskill, whose electrifying feats are featured on popular YouTube videos that get thousands of hits, suffered a broken collarbone when he

tripped on a curb while waving to a girl in the course of a walk in downtown Edinburgh. Stick that on the internet, why don't you?

CHESNEY STALKS!

I love your Reader's Girlfriends section, and I've often thought about sending some snaps of my other half in. But now I don't need to – she's the spitting image of Chesney from *Club* 39/1. I'm not kidding, even her pussy lips look the same. I had to double-check for a tell-tale birthmark to make sure my bird wasn't someone else's girlfriend as well. Maybe I should get her and Chesney in the same bed! *Chunky, Luton*

one do you like best now?' she asked. I was jabbering and gobsmacked, but full of lust for my horny wife.

"Don't just stand there," she barked, "I want your tongue deep in me and then fuck me harder than you ever have." What followed was the most passionate sex we have ever had, and after I had cum in her she played with her bare, jizz-covered

lips, saying how soft they felt, before raising her fingers to her lips and tasting our combined juices which she then shared with me. This was another first in our relationship.

That was a week ago and since then our sex life has been fantastic. Debbie went shopping and came home with a new bikini. She has to move carefully, as when she raises her legs too high, one of her lips pushes out the side. I hope she will wear it to the beach over summer. She also bought herself some bike shorts and, despite her lips being obvious for all to see, we rode into town to a coffee shop and got many an interested look from both men and women. Her shorts were wet from both the rubbing on the bike seat and the attention, and I had difficulty keeping my own arousal hidden. We couldn't wait till we got back home and found some bushes near the river to enjoy her fleshy cock socket. So, once again, a huge thank you and keep those well endowed women on your pages.

SAFF SPUNKED!

Congratulations on a superb issue (38/13). It was great to see Stella back looking as horny as ever, if not hornier. Barbara, the Reader's Girlfriend, was superb. Well worth getting her back in future. Perhaps next time we might see her holding open her inviting pussy.

The girl, however, who I think is the most amazing you have ever featured is Saffron. Everything

about her is perfect. Her face is truly beautiful but it is her body that is awesome. Pert, natural tits with superb nipples. Just the right amount of flesh on her thighs. Derriere which just invites an expert spanking. Cheeks spread to reveal a pretty little puckered anus.

TWEAKING THOSE TIPS!

So Sam reckons she has big orgasms from just having her tits played with, does she? Well, that makes her the ideal girlfriend in my book. My ex only came if I broke my jaw eating her twat for about 2 hours, so just fiddling with Sam's funbags for a few minutes to get her off sounds like a walk in the park. And what funbags! I'd have her creaming herself right off the bed once I fastened my mouth around those incredibly suckable tits. That's what I call a win/win situation – she cums, and I get a mouthful of truly ace baps.

Carlo, Lewisham

But gentlemen, the eighth wonder of the world is Saffron's cunt. I just loved seeing her slit held open to show a lovely set of inner labia and a hint of her clitoris. The only thing which could improve the appearance of such a perfect cunt is seeing it stretched around a big rock-hard penis, preferably mine.

Respect to Tania Stevenson for finding Saffron and knowing the poses to demand from her. Thanks to *Club* for printing the set. But most importantly, love to Saffron for being just about the most fuckable girl on the planet. I'm sure Saffron realises what men buy magazines like *Club* for. I've got pages 8 and 9 open in front of me. Saffron is displayed to perfection from the

front and from behind.

As soon as I put this pen down I'm going to do what any red-blooded male does at such times. I hope it turns Saffron on to know that, yes, I'm going to wank over her pictures. And *Club*, you are going to increase your sales because I intend to cum all over Saffron. Face, tits, arse and cunt are all going to be copiously spunked over so that I will need to buy a replacement copy.

Sadly, it's just her pictures rather than the girl herself which are going to receive my spunk, but that's not a bad second best. Maybe you can show Saffron this letter as a stimulus for her own masturbation. Once again, thanks.

ANDIE'S RANDY!

SHE WANTS YOU TO FUCK HER BANDY...

Being called Andie is a curse. 'Bandy Andie', 'Andie Pandy', the teasing never stops, does it?

"I don't care," shrugs Andie, "and Randy Andie fits the bill pretty well. My sex drive is sky high. I'll be sat on the bus to work and my pussy will just start getting wet and I have to bring myself off in the office loos before I even turn my computer on."

Just have a wank before work?
"Oh, I do. And I spend an hour every night wanking too. I can't stop. I've got a little dildo I keep in my handbag just in case."

That's handy, Andie... ♣

BEYOND THE CALL...

MI5 had an opening for an assassin. After all of the background checks, interviews and tests were done there were three finalists – two men and one woman. For the final test, the CIA agents took one of the men to a large metal door and handed him a gun. "We must know that you will follow your instructions, no matter what the circumstances. Inside this room you will find your wife sitting in a chair. You have to kill her."

The first man said, "You can't be serious. I could never shoot my wife."

The agent replies, "Then you're not the right man for this job."

The second man was given the same instructions. He took the gun and went into the room. All was quiet for about five minutes. Then the agent came out with tears in his eyes. "I tried, but I can't kill my wife."

The agent replies, "You don't have what it takes. Go home."

Finally, it was the woman's turn. Only she was told to kill her husband. She took the gun and went into the room. Shots were heard, one shot after another. They heard screaming, crashing, banging on the walls.

After a few minutes, all was quiet. The door opened slowly and there stood the woman. She wiped the sweat from her brow and said, "You guys didn't tell me the gun was loaded with blanks. I had to beat him to death with the chair."

ANIMAL LOVER

A man walks into his bedroom and stands in front of his wife with a

sheep under his arm.

"This is the pig I have sex with when you have a headache," he says.

The wife looks at him and replies, "That's not a pig, it's a sheep."

He answers, "I wasn't talking to you."

MONKEY BUSINESS

A small zoo in Alabama acquires a rare gorilla, who quickly becomes agitated. The zookeeper determines that the female ape is in heat, but there are no male apes available for mating.

The zookeeper approaches a redneck janitor with a proposition.

"Would you be willing to have sex with this gorilla for \$500?" he asks.

The janitor accepts the offer, but only on three conditions: "First, I don't want to kiss her. And second, you can never tell

anyone about this."

The zookeeper agrees to the conditions and asks about the third.

"Well," says the janitor, "I'm gonna need about a week to come up with the \$500."

A RIGHT ROYAL BOOB

Once upon a time there lived a beautiful Queen with large breasts. Mick the Dragon Slayer obsessed over the Queen for this reason. He knew that the penalty for his desire would be death should he try to touch them, but he had to try.

One day Mick revealed his secret desire to his colleague, Horatio the Physician, the King's chief doctor. Horatio thought about this and said that he could arrange for Mick to more than satisfy his desire, but it would cost

him 1000 gold coins to arrange it. Without pause Mick readily agreed to the scheme.

The next day, Horatio made a batch of itching powder and poured a little bit into the Queen's bra while she bathed. Soon after she dressed, the itching commenced and grew intense.

Upon being summoned to the Royal Chambers to address this incident, Horatio informed the King and Queen that only special saliva, if applied for four hours, would cure this type of itch, and that tests had shown that only the saliva of Mick would work as the antidote to cure the itch.

The King, eager to help his Queen, quickly summoned Mick to their chambers. Horatio then slipped Mick the

antidote for the itching powder, which he put into his mouth, and for the next four hours, Mick worked passionately on the Queen's large and magnificent breasts. The Queen's itching was eventually relieved, and Mick left satisfied and hailed as a hero.

Upon returning to his chamber, Mick found Horatio demanding his payment of 1,000 gold coins. With his obsession now satisfied, Mick couldn't have cared less and, knowing that Horatio could never report this matter to the King, with a laugh told him to get lost.

The next day, Horatio slipped a massive dose of the same itching powder into the King's underwear. The King immediately summoned Mick... ♣

VIRGIN ON THE RIDICULOUS

A lawyer married a woman who had previously divorced ten husbands. On their wedding night, she told her new husband, "Please be gentle, I'm still a virgin."

"What?" said the puzzled groom. "How can that be?"

"Well, husband one was a sales rep: he kept telling me how great it was going to be. Hubby two was in software services: he was never really sure how it was supposed to function, but he said he'd look into it. Husband three was from field services: he said everything checked out diagnostically but he just couldn't get the system up. Husband four was in telemarketing: even though he knew he had the order, he didn't know when he would be able to deliver. Husband five was an engineer: he understood the basic process but wanted three years to research and design a new state-of-the-art method. Husband six was from administration: he thought he knew how, but he wasn't sure whether it was his job or not. Seven was in marketing: he had a nice product, but he was never sure how to position it. The next one was a psychiatrist: all he ever did was talk about it. Husband nine was a gynaecologist: all he did was look at it, and the last one was a stamp collector: all he ever did was... I miss him! But now that I've married you, I'm excited!"

"Good," he said, "but, why?"

"You're a lawyer. This time I know I'm

Then send a picture, along with your name, address and a contact telephone number to: Readers' Girls, Club International, 3rd Floor, 207 Old Street, London, EC1V 9NR (or email clubint@paulraymond.com). If you've got the Club look you'll get a top photo shoot and a £250 cheque, too!

NAME: Kayla **AGE:** 19

VITAL STATISTICS: 34B

WHAT'S SHE LIKE? A bundle of fun it's hard to keep up with.

WHY DID YOU WANT TO APPEAR IN CLUB INTERNATIONAL?

Why not? I want to be in all the porn mags – well, except for the grotty gran ones! – and *Club* always has the fittest birds.

YOU SEE TO BE QUITE ENERGETIC...

You're right. All I want to do is burn off energy every day, and sex is the best way to do it. I get a bit stroppy if I don't get sex at least once every day.

SO YOU GO THROUGH A LOT OF BLOKES, WE IMAGINE...

I've got a couple on the go at any one time. I like to rotate them so I don't wear them out!

ANY PREFERENCE, SEX-WISE?

I don't care too much – if I'm getting some, it's all good. But usually you don't have to do too much work. Just lie back and let me bounce around on top. I'm like the bunny with the good batteries in!

WILL WE SEE YOU AGAIN?

I hope so. I hope all your horny readers write letters in telling me they like me – and what they've been doing to themselves looking at my photos. Make sure that you send 'em all on to me so I can have a good old wank while I read through 'em! ♣

SCRUFF JUSTICE!

What's that you say dear, you're going out for the night?

RATINGS: ★ MRS GAMP ★★ CRAMP ★★★ CAMP ★★★★ TRAMP ★★★★★ DAMP

COUPLES CAMP (WICKED PICTURES)

Okay, so we know the Wicked way by now. Jonathan Morgan directs, a bunch of glossy looking sorts with big norks cavort with condoms, and it's all very pleasant indeed. But this one throws up a nice surprise – no, someone doesn't do a fluorescent sex wee, silly – in the shape of Kara Novak. Why didn't we know about her before? She's lush. Mikayla Mendez, Jenna Presley and Rayveness we know and love, but no-one gave us the memo about Kara. CC us in next time, yeah?

★★★★

EVIL ELEGANCE (HARMONY)

Gazzman's US adventure continues as he brings together Maya Gates, Kagney Linn Karter (award-winning and lush to look at but overrated as a porn star), Paulina James and more for this highly watchable doink-fest. The lighting is just so, the sex is up-close, and the girls are styled as well as you'd expect. Sounds easy, but it isn't – and we've seen enough shitty porn in our life to know that this is how to do it right. ★★★★★

BAD GIRLS 3 (DIGITAL PLAYGROUND)

One of my formative porn experiences was the original *Bad Girls* (the 1981 version), so it's nice to see the name still alive and going strong. You've got to say, this version has some nicer ladies in it – Jesse Jane gives us two strokeable scenes, Riley Steele is unbelievably fit from every angle, and while Jenna Haze's scene isn't in the top tier of her work (i.e. no bumming), she never let anybody down. All that and about 94% less pubic hair as well.. ★★★★★

CROWN JULES! ♣

She's called Julia Crown, we had to...

They – whoever ‘they’ are – reckon you never walk anywhere in L.A. If that’s the case, then how come the delovely Julia Crown was spotted by a model agent as she walked through L.A.? So much for ‘they’.

“It’s only because my car was being fixed,” she confesses, “call it sweet serendipity because I was just waitressing, and now I get to be in *Club*.”

No offence to waitresses, but you’re far too horny to be getting anything other than huge tips.

“The place I worked, we weren’t allowed to flirt with customers, and we had to wear a shitty uniform that hid everything. I’m loving the freedom of flashing everything I’ve got now.”

So are we, so much so we’ve emptied our balls. Any chance of a refill? ♣

KEYS PARTY! ♣

...and we're all invited!

Many porn stars, over the years, have been 'blessed' with names that pun on those of celebrities. Who could forget Doomy Moore or Dru Berrymore? And then there are those named because of their supposed similarity in appearance to celebs. Jennifer Stone does have a passing resemblance to Jennifer Aniston, we have to say. But that's as nothing compared to the likeness between Aneta Keys and sexy songstress Alicia Keys. Yes, we just used the phrase 'sexy songstress'.

Only, while Alicia is content to sit in the middle of a stadium plonking the ivories and releasing one good song every 2 albums, Aneta is more into sucking and fucking pricks on film. Alicia likes to collaborate with the cream of the world's bland musicians, while Aneta like to collaborate with sexy birds and men with lob-ons that could cut a diamond. Which is better? Well, we asked Aneta if she'd like to swap places. Her answer? "I'd like her money and fame, but I bet I get better sex than she ever will, so I'll stick here thanks." Good girl. ♣

BLUE TOUCHPAPER! ♣

Light it, then retreat to a safe distance...

When you stick Blue Angel and Sandra Shine together, what do you get? Well, what you don't get is a demure conversation about the latest episode of *The Apprentice* or who got voted off *Strictly*... Nope, what you get is unfeasibly hot and absolutely unstoppable lesbian antics.

Blue Angel has just announced that she's retiring from hardcore action, but the sight of Sandra's suckable tits and juicy pussy removed her resolve in seconds and she feasted in full. As for Sandra, she's not prone to making announcements about retiring or whatnot because, well, why the fuck should she? She knows that all she has to do is turn up at a shoot and she'll have her pussy eaten, her arse finger-banged and will get a taste of cunt herself.

So, after putting these two together, we simply lock up the pets and retire to do a safe distance to witness the fireworks. And if they fizzle out, approach with caution, because they're almost certain to catch fire again any second... ♣

These two get out of hand only at...

Sasha's Secrets

Every month, Club's sensational regular girl Sasha will act out your fantasies. She's not shy – write to her and tell her exactly what you want her to do. Who knows, you might be lucky enough to get Britain's fittest lass juicing up over your letter and then making it come to life. Oh, and she gets even dirtier online, where we've got the pics we can't show you in the mag!

Sasha

*Sasha's
Secrets*

Wow! I can't believe how many letters I've had in the first couple of months of being *Club's* regular girl. I've barely had time to wank to them all! Some of you boys have got very dirty minds... and I love it!

Steve from Suffolk is a bit of a car fanatic, and he wants me to wash his motor for him. Sorry, Steve, I hardly ever have chance to clean my own banger. I can't believe the cheeky photographer got me to clean his for him for this shoot. Anyway, check out my top gear and waxed bonnet and promise to polish your gearstick for me boys. See you all next month. I can't wait... ♣

Dear Sasha

I can't believe how good *Club* is at the moment. It's not normally on my list, but with you every month in different outfits, how can it not be? You are unbelievably sexy. My preferences are definitely blonde or sultry darker-skinned girls in a variety of outfits. For some reason I always associated *Club* with bikini shots month after month. I have several strange (?) fetishes involving clothes and uniforms. Indian girls are a great fetish, especially with white stockings. Please keep it up.

Anonymous

I can't believe you've not been buying *Club* for ever. Everyone knows it's got the hottest girls for all tastes. I'm glad you like Indian girls, I'm half Mauritian, so you could call me an Indian Ocean babe. There's nothing strange about your fetishes – dressing up is one of the most enjoyable bits of sex. As long as you get undressed at some point! Keep watching, I'm sure I'll be dressed up to your tastes soon! X

Dear Sasha

When I heard I was going to see more of you in *Club I*, like many of your fans, was delighted. As was my friend down below! If I had to have a dirty fantasy about you, I would be your boss. You're my secretary, your glasses on, giving your white panties a good rub with your panties as you deep-throated my thick cock. Then I'd penetrate you from behind before exploding my hot sticky cum over your peachy tits. Also, I'd love you to be a nurse for me and ride me while I can't struggle. I will continue to gaze at your tits and beautiful arse in full awe and hope you are playing with your clit. I wish it was my cock.
Simon, East Sussex

Simon, you're a dirty boy, aren't you? You've got lots of filthy ideas I'd love to put into practice – especially that one about taking your cock deep in my throat. That's something I've really been working on, and I reckon I can deep-throat an 8 incher now. Sorry, you've gone and got me all wet again!

TITTY SLICKERS! ♣

Nikki says suck 'em and see...

Oh god, would you look at those boobs? It's really no surprise that Nikki can't stop sucking on them herself, they're so tempting.

"I really can't!" giggles Nikki, lifting them to her mouth for another go. "I used to have a problem having orgasms during sex, until a guy I was fucking spent a while sucking on my nipples. Turns out they're more sensitive than my clit!"

So basically we could make you very happy just by titting you up?

"Yes, but don't be rough with them. Treat them kindly and I'll reward you with wet, sloppy blowjobs."

We think we've just found our future wife. Apologies to the current one. ♣

RED OR HEAD!

I'm writing this with the taste of spunk and pussy still on my lips. My sex life with my boyfriend Peter had become a little stale, and so we decided to arrange a threesome to spice things up. And when I asked what kind of woman he'd like, he already had someone in mind – my friend Charlotte. He said he'd never fucked a natural redhead before, and she certainly fits that description. When I set it up with her, I asked her not to shave her pussy so he could see she was the real deal!

Peter and I were watching a porno when Charlotte arrived, and I told her to get busy. I was the one who'd become jaded recently, too tired after work to fuck, or just taking Peter's dick for granted. I thought that seeing some horny girl enjoying his meat would strike a spark, make me appreciate what I had. So we made a deal. He wouldn't touch me until I begged him for a shagging.

They only got as far as heavy petting before I rediscovered my lust for my man. My pussy tingled as he sucked on Charlotte's tits and I was just as horny as he was by the time he licked his way down for an eyeful – and a mouthful – of that cute little red-furred cunt! My fanny was throbbing with every lick and Charlotte was twisting and humping on the bed. Peter kept reaching down to wank his dick, and

Charlotte offered to do it for him.

He shuffled forward just out of her reach, his other hand fingering her hole. Then he decided where she was going to cop her first feel of his dick. Slow and smooth, he slid it into her twat, his thumb slipping into the very top of her slit, teasing her little pink button as his fingers ruffled her pubes. Almost instantly, she began cumming around his cock, and I moaned along as my own fingers crept inside of my fanny. But Peter told me to stop – I wasn't allowed to cum until he or Charlotte made me.

He'd never normally act so dominant, but I liked it. I almost came just from watching him fuck my girlfriend, hearing him tell me to look at her taking his cock, see how much she loved it. And Charlotte didn't have to put on a show – you can't fake body spasms and a sex flush even if you want to, and she was cumming hard, thrashing on the end of his dick.

I saw the signs that he was ready to cum too, the way he clamped his arms around her legs, so he could plough in deep. Then he juddered as his jizz spurted into her. It gushed out as he pulled clear, still hard but too tender for me to touch, let alone suck. He spread her lips, rubbing on her clit so I

could see her orgasm again. Then told me to suck her clean. I just dove down, burrowing my face between her thighs. I hadn't eaten pussy since about a year before I'd met Peter, but now I couldn't suck down enough of those sweet juices, creamed and salted with his load.

"Okay, please fuck me now," I asked, and he began to play with my arse crack and slit, spreading them with his hands on the outside edges. He often did this just before sticking his cock inside, but now he made me wait. He didn't want to be told, he wanted me to beg for his dick.

Well, I'm not proud, but when I begged he still teased me, rubbing his moist tip all over my buttocks. It was only when Charlotte told him, "Fuck her, I want to see it," because the suspense was killing her too, that his prick pushed into my cunt at last.

"As I'm typing, he's sixty-nining with Charlotte, eating her tight ginger snatch as she tongues his cock"

He did me slow, grinding my face into her crotch, and soon both of us were moaning with pleasure. "Cum inside me," I groaned as I came up for air, and he did, before getting me to straddle Charlotte's body and frig off over her.

As he recovered, he had me fetch his laptop so I could write to you guys about what had just happened. As I'm typing out these words he's sixty-nining with Charlotte, eating her tight ginger snatch as she tongues his cock. I don't know how he's planning to fit me into this fun but he wants me there now so I'll sign off and rejoin the action!

SKI BUN-DAY!

Last winter, I took a road trip with five of my University girlfriends to the mountains for a week of snowboarding and skiing. The first few days were absolutely exhilarating, with each of us making great use of the snowy slopes and dangerous high jumps. What happened after that was more than I could have ever expected and is precisely why I'm sharing my horny story with all you *Club* readers.

For the rest our week we were completely snowed in. For a bunch of girls this posed no problems at all. We passed the time dancing, playing drinking games and snuggling up with one another beside the fire. It was when Sarah brought out an empty wine bottle that things got a little out of hand.

"Let's play spin the bottle!" she said, arranging

us in a circle on the furry rug. She spun the bottle first, with the mouth pointing at me. I crawled over to her and gave her a sweet little kiss. To my surprise, she grabbed me by the back of the hair and shoved her tongue down my throat. Although I was shocked, I must admit that her bold display and the strawberry taste of her tongue really had me turned on.

Erica grabbed the bottle from me and insisted she go next. Eager to make out with Bella, Erica cheated, making sure the bottle pointed in her direction. To get one-up on Sarah and I, Erica ripped off Bella's T-shirt and began to bite and fondle her thick nipples while sucking on her puffy lips. Now the action was really heating up and every one of us in the room was anxious to be chosen.

Next it was Valentina's turn to spin herself happy. She did and the bottle pointed directly to Adrienne, who clapped with excitement. They continued the game of one-upping us. Valentina rolled Adrienne over into a doggie squat and shoved her face up against her pussy and arsehole to take giant licks of her tight cunt. "Fuck, you taste so sweet and salty,"

Valentina purred.

Finally the bottle came to me. I gave it a spin and it landed right smack between Bella and Valentina. "Guess I get both of you bitches!" I giggled, arranging my girls on their backs with their legs spread so I could get a mouthful of each pussy. Before I knew it, Sarah was behind me eating my arsehole while Erica ran to the bedroom to grab our box of goodies. She came out wearing a hot pink strap-on cock that she used to vigorously pork Adrienne's arse.

From there, we became a mish-mash of fucking bodies. To my left were Adrienne and Sarah grinding their pussies together like crickets until gobs of girl glue practically cemented them together. Erica stood over the action, dangling her faux cock in and out of Sarah's open mouth. Valentina was on the other side sharing a double-ended dildo with Bella, while I hiked my leg over Bella's face to get my pussy polished by her expert tongue. She was the one I really wanted.

When she finally freed herself from Valentina, I locked legs with Bella and ground on her clit with mine until our groins bubbled over with juicy pop. "More, more, more!" Bella began to scream as her orgasm seemed to intensify with each moment. When she was finished puddling, I moved between her legs to lick up her tangy squirt. She held my head in place and kept me there for several seconds to ensure my face came up soaking wet.

When we were through we both fit strap-on cocks around our waists and went after Sarah. "You're going to get it!" we taunted her, as Bella tackled her to the floor and slipped her cock into Sarah's arse in doggie. I scurried underneath to take control of Sarah's pussy. When Erica caught wind of this she donated her

mock cock to the party as well, shoving it down Sarah's throat to make her completely airtight and in strap-on heaven!

Valentina and Adrienne cheered us on for a while before getting cock-tackled themselves once we were through with Sarah. Valentina got it just as good as Sarah did, while Adrienne chose to be the human vacuum in the situation. We stayed indoors fucking for the rest of the week and were saved by the weather once the

sun came out. It forced us to untangle from each other and venture back outside for some more fun.

DIRTY THIRTY!

Last Friday night, with four of my closest friends, I celebrated my thirtieth birthday. It was a tremendous evening full of laughs, food and plenty of delicious cocktails. I had my exact wish in mind and couldn't wait until it was time

announced my birthday wish aloud. "I've been a good girl long enough. I want to have an orgy!"

Dumbfounded at first, my friends looked around at each other to see how everyone was reacting to my comment. Just to move the party along in my chosen direction, I squatted down on my knees and pulled Don's cock out to give it a little suck. Sharon had always bragged about the size of Don's dick and now it was my turn to see it for myself. Well, she wasn't

"I pulled Melissa underneath me and began to massage her clit with my tongue"

to blow out my candles. Sure enough, when the time came, I decided to throw caution to the wind and go for it. As my friends clapped and cheered, I grabbed Sharon by the cheeks and planted the juiciest French kiss across her lips. Her tongue was cold and tasted sweet like the strawberry margarita she had been sipping on.

To my utter delight, instead of pulling away, Sharon kissed me right back, swirling her tongue around mine and digging her long fingernails into my back. When her husband Don stepped in to try and separate us, I placed my hand over the crotch of his jeans and

bullshitting, his cock was massive! Simply getting the head of his cock inside of my tight little mouth was a challenge in itself, but one I was eager and willing to work at.

After managing to ingest a few inches, I pulled Sharon down and urged her to suck her husband's cock alongside me. Sharon started in on his balls with her fingers and tongue while I continued to slobber and chew on his shaft. Once Melissa got a look at the action unfolding in front of her, she positioned me in doggie and pulled up my skirt. The next thing I knew, I had Melissa running circles around my bumhole with

her tongue, while Sharon and I swapped between sucking on Don's cock and balls.

"Fuck, I want some of this!" Fred announced. He placed Sharon in doggie position right next to me, peeled down her jeans and rammed his cock inside of her hairy pussy. "I'm going to fuck you good!" he shouted, giving her a few playful smacks on her big arse.

Once I had managed to turn Don's dick into a rock solid fuckstick, I turned my bum around and begged him to plug the arse that Melissa had slobbered up so nicely. While Don poked the living daylight out of my bung, I pulled Melissa underneath me and began to massage her clit with my tongue. As I began to shove a few fingers inside her bald fanny, she started to cum... squirt is more like it! Wanting a taste of Melissa's slippery slit, Fred disconnected from Sharon and joined me in feasting on her pie.

"This tastes better than birthday cake!" I announced with a smile. While down sipping on slit, Fred and I got even more turned on not only by the taste of Melissa's tangy pussy, but by our tongues wiggling against each other. It was our turn to try each other out. I started in on his cock first, spiralling my tongue around and licking off Sharon's pussy cream that had collected around it. After a few minutes, Fred spun me head over heels and dipped his dick into my cunt in piledriver.

"Take my fat cock, birthday girl!" Fred shouted as his thrusting got progressively more intense. In the midst of my orgasm, I looked over to see that Don had Sharon and Melissa sprawled out side by side in missionary position. With their legs touching, he took turns fucking one while fingering the other. The sight of my friends in sheer orgasmic delight made my release that much sweeter. After I came, Fred spun me around and tugged off his monster load into my mouth. I gargled his swill around my throat before swallowing it down. It was delicious.

Before the night came to a close, I not only had the opportunity to fuck all of my friends, but had the privilege of knowing that I made all of them cum as well. After another two hours of fucking and partner swapping, we all fell asleep together on my living room rug. It didn't take long for the action to start up all over again. Needless to say, I got my wish!

WHITE WATER SHAFTING

Shyla gets the frothy stuff all over her...

American uber-hottie Shyla Jennings is the kind of girl we'd like to do outdoorsy pursuit type stuff with. We'd just be watching, obviously, but we'd be ready with a warm towel and to help her out of that freezing wet T-shirt.

"I could use an assistant," she laughs, "I love doing dangerous things, but I always get wet or dirty."

We'll be there for you.

"What else do you do? I mean, I dream about having an assistant on hand for all the really filthy jobs. I'm not looking for a boyfriend right now, but a helper who'll lick my cunt and fuck me in the ass [that's American for arse – transatlantic Ed] would be a dream come true."

Shyla, that's the very least we can do for you... ♣

SUNNY-STROKE! ♣

Slurp on some Sunny delight...

A ridiculously fit porn babe who plays *World of Warcraft* and watches *The Simpsons*? Why isn't Sunny Leone married to us? The Canadian star, making major moves ever since leaving her exclusive contract with Vivid, opens up to Emma Edwards...

Birth Date: May 13

Hometown: Ontario, Canada

Height: 5'4"

Weight: 115 lbs.

Measurements: 34C-24-34

Forgive us for staring at your amazing breasts. They look dynamite and have settled in quite nicely!

Do you like my new boobs? I've always wanted them and had been seriously contemplating getting them for the years. I hesitated because I've seen so many botched boob jobs in the adult industry and I didn't want that to happen to me. I waited until I stopped growing naturally at age 25 then decided to go for it, turning my 34B cup to a full 34C and I love them! I couldn't be happier with the result. Plus, even though my nipples have always been sensitive, since I got my boob job their sensitivity has heightened. They feel amazing and get hard all the time. Literally if the wind blows and glides over my nipples, I'll get a tickle. The slightest touch gets me going. I love my nipples now more than ever before.

What else turns you on?

Sexual experience turns me on. I love knowing that the guy I'm about to have sex with knows exactly what he's doing. Then it becomes a fun little guessing game for me, anticipating the different ways he's going to fuck me and make me cum. I imagine the twisted new positions he'll arrange me in, knowing I'm about to be satisfied. I also want a man that is physically fit and can keep up with me. I love men's bodies, licking them, riding them, touching them. So a nice body is a must.

Are you wilder on or off screen?

I'm wild when I'm having sex either way. It doesn't matter if a camera is present or not. Once I set my sights on a man and am ready to give myself to him, he better be prepared. I'm coming at him at full force and will not hold back. It's the same for girls too!

So tell us, how do you prefer cocks?

An average size cock is fine with me, although a solid eight inches would make me a very happy lady. I don't perform blowjobs that often because I just like to get into it, but when I do, I like to get the cock wet

with lots of spit and make good use of my hands. I spiral them up and down the shaft while I twist and suck the head. When the pre-cum starts to dribble I lick the sides like I'm lapping up a melting ice cream cone. I've been told I have excellent technique.

So how sexual a person are you?

Sex at least once a day is a must! My first sexual experience ever was with a woman. She was phenomenal and got me hooked and now I'm totally bisexual! I love masturbating and fuck myself every day. My favourite is a toy called the bullet and it takes a huge nine-volt battery.

What's the best way for a person to get you off?

If it's the right person and I am really into them then it is extremely easy to make me cum. The best way to go me off is to fuck me hard and fuck me fast! I'm lucky because I'm able to reach orgasm from clitoral stimulation and from deep within. I can squirt too, but I didn't know I could until just recently. It feels different from a regular orgasm. It's more intense and I like the sensation much better. Doggie is one of the only positions that allows me to have squirting orgasms, so of course I love it.

Are you quiet or a noisy fucker?

I'm noisy during sex and am very vocal. I'll shout out all the things I like that are being done to me and the things I want more of. If it's feeling good and you are rubbing me the right way, believe me, you'll know it. I love communicating during sex. All the nasty talk heightens my experience.

Are you a voyeur as well?

Yes, I love watching people have sex in front of me, provided they're hot. I like people watching me. It turns me on. I don't have a lot of time to watch porn but sometimes I catch erotica online. I usually don't choose dialogue intensive movies because I don't care to hear them talk. Girl on girl and blowjob movies are my favourite and always win out. Anything starring Sandee Westgate, Aria Giovanni or Jenna Jameson would be good picks for me.

Do you have a favourite sex scene that you've performed in?

My favourite sex scene of all time happened

with Daisy Marie in a Vivid movie called *Female Gardener*. In that scene, we had perfect sexual chemistry and had a great time fucking each other. She's just so beautiful and I adore her personality. There is one part of the movie that was so hot, sexy, and out of control, Daisy lost her mind and screamed out, "Shove another toy in me!" Yeah, that girl is hot!

We certainly agree with you on that. Who else is a favourite?

Monique Alexander is always a lot of fun. We are friends on and off camera. We like to make out and mess around with one another a lot. You know something? I think I need more sex!

We agree again! In your opinion, what is good sex?

That's easy – sex that makes me cum! Good communication and a comfort level that allows you to explore new sexual desires and fantasies also add to a great experience.

So tell us about some of your deepest sexual desires and fantasies.

I like my feet sucked, my hair pulled and spankings. Being tied up is another fantasy I've yet to experience. Dominant and submissive roles also turn me on; I prefer

what I say. This usually leads to bringing hot girls home for my partner and me to enjoy together. A while back, after the XBIZ show, I found myself in the hotel pool with a hot girl. We started making out like animals and I invited her up to my room. As soon as we got inside, we mauled each other and had hot lesbian sex all over the room. It was intense and so erotic. That was a very good day!

And when you're not having sex, if ever, how do you enjoy spending your free time?

I love feature dancing and the opportunity to meet my fans. I use the old school approach and have elaborate costumes that are custom made for my body. I always have fun when I wear my Little Red Riding Hood costume or my police girl uniform. When I'm home, I go wake boarding. I also enjoy reading and catching up on all the television shows I've missed or I take time to curl up with a good movie. Not many people know I'm a painter and I love to create bright, abstract art using acrylic paint on canvas. I usually give my paintings away as gifts to my friends because I'm not confident enough yet with my talent to sell my work, but perhaps one day they will be available for purchase.

What do you think is the best thing and

“Rough sex is good for me. I like to walk away knowing that I've been fucked!”

being submissive with men and dominant with women. Really, anything that leads to rough sex is good for me. I like to walk away knowing that I've been fucked!

And what do you think Sunny Leone is best at sexually?

I'm a master seducer. If I'm out and set my sights on a person, I'll lure them in by teasing them with my eyes and by using body language that can't be ignored. It always works. Honestly speaking, it's not hard to go out and find somebody to have sex with. What is difficult is going out and finding someone you can have an intelligent conversation with.

What's the most fun you've ever had with your clothes on?

I had a fabulous time during the Vivid Comedy Tour in Missouri. We toured around with the comedians and I literally laughed my ass off for five days straight. Since all of us are complete attention whores, we all had the time of our lives. Laughter is terrific medicine.

Are you into spontaneous sex?

Oh, that's every day! I have spontaneous sex on a regular basis. I like the element of surprise. Most people think I'm joking when I blurt out sexual requests, but I mean

worst thing about being a porn star?

The best thing for me so far is all the facets of the industry that I've had the chance to be a part of. I've been a model, have a successful, ongoing website, and get to be a performer in front of the camera. Without a doubt, I have the best job in the world! I get to have sex with the most beautiful people imaginable and get paid for it. The worst part of the industry for me is how tired I get from traveling all the time. I miss my family, friends, and animals. My cat misses me so much that she bombards me with all of her toys when I walk through the door.

What makes you unique?

My Indian heritage and exotic look helps to make me unique. My culture isn't represented all that often in porn, so it's nice to represent the Indian culture. Also, my movies are special because I put my heart into them. I have sex for a living because I love it; my goal is to have great sex and to get off. Life couldn't get any better than this right now!

How did SunLust Pictures come to fruition?

At first, my partner Daniel Weber and I were approached by a few different people when we decided to build this company. Soon we decided to do it on our own and start our

company as a team. We then approached Steven Hirsch of Vivid with our idea and asked him if he would distribute our product. He was very positive from the start and thought it was a great idea. He said, "Let's do it!" So now, our United States distribution is handled by Vivid, and my partner and I handle our international distribution.

Are you still contracted to Vivid Entertainment Group?

Yes, I am still a Vivid girl but don't have the same obligations the other Vivid girls have.

Do you consider SunLust Pictures to be the next phase of your career?

Absolutely! It's something that I didn't give much thought to until I met my partner. The more we thought about it, the more it seemed like a great and profitable idea. I have always been a very strong, independent businesswoman. I've successfully run my own website, handle my own bookings, and have managed my career on my own from the start. Owning my own production company is definitely something I am capable of doing. I never dreamed of taking it to the level that it is at now though.

How many projects has SunLust created so far?

I believe we've done about seven or eight

of the adult industry. It was also fun playing a role that didn't require me to be a porn star.

As a way of paying homage to your Indian culture, would you ever try to recreate a Bollywood type movie through SunLust Pictures?

That is a great question and one I've never thought of before. If anything, I would love to create what would be considered 'socially acceptable' R-Rated material, vignette type stuff to be released in India. I would love for it to be shown through Pay Per View or cable channels. You've given me something to think about, thanks!

How does the Indian community treat you?

In the Indian community, I am very respected. My response is very positive. I've already jumped over the hurdle of being a girl in adult since I've been in the industry for so long. People accept me just fine, thankfully. I've been told I am famous in India, although I wouldn't really know if that is true firsthand. I think I might be a little scared to do an event there. You never know what kind of fanatics may be running towards you.

Why will you always consider yourself a 'Vivid Girl'?

Vivid is my family. They are such a great and

"I get to have sex with the most beautiful people imaginable and I get paid for it!"

movies over the last three months. We have new titles in development as we speak. We continue producing and growing, which is so much fun. As it stands now, we are producing and releasing two to three titles per month.

What is the latest project you are working on for SunLust?

It's a feature called *Gia: Portrait of a Porn Star*. It's a tale of a girl who goes through a career in the adult industry. It chronicles the start of her career, all the way to the end of her life. It's loosely inspired by the movie *Gia*, starring Angelina Jolie, as far as the visual style goes. Our story is very different. I do hope the audience falls in love with our main character though. I've taken elements of the adult industry that I've seen or heard of during my ten-year career and used them to help create this movie. I will play the starring role of Gia, and Tori Black will play my girlfriend. I'm actually quite excited to capture Tori's natural beauty and her acting abilities in this project. Tori's a real star!

Have you ever starred in a Bollywood type movie?

Yes, I have. The movie I worked on was called *Pirate's Blood*. The experience was amazing. It really felt great to shoot something outside

confident company that doesn't object to one of their stars or contract girls branching out on their own. I remain a part of the family while having the opportunity to expand my career as a businessperson. They are so supportive of me. Our love for one another runs very deep. I don't know many girls who are able to do it all, are happy while doing it, and are making money in the process. They help me out every step of the way and offer lots of free advice. There are no secrets with Vivid. I love them more than they will ever know. I wear my Vivid necklace with pride.

Tell us about some of your mainstream success.

I've had the privilege of working on so many different types of projects. I've been on Howard Stern a bunch of times, have appeared on the E Channel, hosted events at the Sundance Film festival, MTV, as well as several other projects. I've even done some work for the VMAs, which was amazing. Each year I'm invited to do many fun events. My life has been so blessed that at times I just want to pinch myself.
